English Composition 101 and 102 may not be counted toward the English major.

One of the above courses must satisfy the Diversity requirement.

Requirements above must carry a grade of C or higher. A student may satisfy a specific requirement with a grade of D, but credits for that course may not be included in the 34 credits required for the major. Any additional Department of English course may be taken to make up the deficit.

Students may earn certification for a minor program within the department by completing 18 credits in that field. English majors may count as many as six credits toward both the English major and one specific English minor, in which case only 12 additional credits may be earned. A second department minor requires at least 18 new credits. See the department worksheet for minor programs.
