**MAJOR REQUIREMENTS 2003 - 2014**

Courses may be counted toward both Major and General Requirements. However, no course may fulfill two categories of General Requirements. (If you use any course for both Major and General Requirements, be sure to count the credits only ONCE toward the degree total.)

Minimum of 36 credits in French of which at least 24 must be in courses numbered 200 or higher. Students must consult a departmental advisor about planning their programs as early as possible, because courses numbered 200 or higher are not offered every year.

A maximum of 6 credits in courses taught in English (those with numbers in the 240s, 305, 306, 360, 391, 392, or others if designated) may be taken for credit toward the French major ONLY UNDER THE FOLLOWING CONDITIONS:

The student must have completed French 132 or the equivalent; a substantial part of the work must be done in French; the instructor must give permission in advance and determine what work will be done in French.

French majors are strongly urged to take either a summer or a year program of study abroad in France. Rutgers offers both programs; students should consult an advisor.
